HUNT PARTNERS INDIA APPOINTS SUNIL PANDITA AS ASSOCIATE PARTNER

Hunt Partners India is pleased to announce the appointment of Sunil Pandita as Associate Partner.

Sunil joins the firm after a successful 16 year career in the Information technology industry. During his illustrious career, Sunil has held roles across the gamut of strategic planning, marketing, alliances, sales and business development with leadership organizations such as Adobe, IBM and HCL.

Prior to joining the firm, Sunil was with Adobe Systems, as *Country Manager - Asia South*. In this role, Sunil established the Enterprise business as the fastest growing business unit. Earlier, Sunil built and executed the global Systems Integration alliance program for Adobe enterprise software by leveraging centres of excellence, industry solutions and joint marketing programs.

At IBM, Sunil played a key role in growing *System p* market share in a fiercely competitive RISC / Unix server market. Prior to that, Sunil lead strategic business for the direct sales organization at HCL. Sunil has been a regular presenter, keynote speaker and panelist at various IT industry conferences.

Sunil holds a Bachelor's degree in Electrical Engineering from Birla Institute of Technology & Science, Pilani and an MBA in Marketing & Finance from Symbiosis Institute of Business Management, Pune.

ABOUT HUNT PARTNERS

Hunt Partners is a leading boutique Asian executive-search firm. The firm was founded in 2004 in Hong Kong and Mumbai, and it has since grown to establish four direct offices across the region. Prior to coming together to start the firm, the founders had successful careers as corporate general managers, executive search consultants and entrepreneurs. The firm has witnessed rapid growth of people, offices, industry practices and revenue, and is now repeatedly recognised within the top 10 retained search firms.
